Game Play

1. Determine the order of play by giving out the word search puzzles. The student to find all the words used in the puzzles goes first.
2. Each player rolls the die and then moves that number of spaces.
3. If a player lands on a "move back" or "move ahead" space, they do so and then have to do the directions for that word.
4. If a player lands on "lose your next turn", they must stay at this spot and do nothing for the current turn. Then they are skipped on their next turn.

5. When the player gets to the Finish line a special rule applies!! The player who is currently in last place can pick any word that they choose from the board. If the player on finish can complete this word correctly, they win. If the player cannot complete the word then they go ALL the way back to START.
6. Directions for when a player lands on a space with a word:

If a player is unable to do this, the player moves back to the space the player started his or her turn on.
