Raising Dragons

did drag bar chick ev need des ei thing
n't ons ley ens er ed sert ther y

didn't dragons barley chickens
everything needed dessert either

Pa didn't know a thing about raising dragons.
He raised corn and peas and barley and wheat.
He raised sheep and cows and pigs and chickens.
He raised just about everything we needed for life on our farm,
but he didn't know a thing about raising dragons.
Ma didn't know about dragons, either. She made a real nice home for us.
But when it came to dragons, she didn't even know
what they wanted for dessert!

Pa didn't know a thing about raising dragons. He raised corn and peas and barley and wheat. He raised sheep and cows and pigs and chickens. He raised just about everything we needed for life on our farm, but he didn't know a thing about raising dragons.

Ma didn't know about dragons, either. She made a real nice home for us. But when it came to dragons, she didn't even know what they wanted for dessert!
