artist pictures favorite friends turtles
cartwheels cities cousins practice everywhere

Tommy knew he wanted to be an artist
when he grew up. He drew pictures everywhere he went.
It was his favorite thing to do. His friends had
favorite things to do, too. Jack collected all kinds
of turtles. Jeannie, Tommy's best friend,
could do cartwheels and stand on her head.
But Tommy drew and drew and drew.
His twin cousins, who were already grown up,
were in art school learning to be real artists.
They told him not to copy and to
practice, practice, practice. So, he did.

Tommy put his pictures up on the walls
of his half of the bedroom.
